

The **PSA** are a fundraising group comprising of parents and friends of the school. Our primary aim is to raise funds for the school to be used directly to benefit the children's learning.

We are focusing our fundraising efforts this year on helping the school develop the outdoor learning and conservation area to make it a space that can be used by all the children all year round.

Look out in the **School Newsletter** and our **Facebook page** for more details of the events below
